The ACCESS BROADBAND Act (section 903 of division FF of Public Law 116-260) is amended—

(1) in subsection (c)(2), by striking subparagraph (C);

(2) by redesignating subsections (g) and (h) as subsections (h) and (i), respectively; and

(3) by inserting after subsection (f) the following:

“(g) REPORTS.—

“(1) OFFICE REPORTS.—

“(A) ANNUAL REPORT ON TRACKING OF FEDERAL DOLLARS.—Not later than 1 year after the date of enactment of this Act, and annually thereafter, the Office shall make public on the website of the Office and submit to the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Energy and Commerce of the House of Representatives a report on the following, with respect to the year covered by the report:

“(i) The number of households, businesses, and other institutions in the United States that received broadband as the result of Federal broadband support programs and the Universal Service Fund Programs.

“(ii) A description of how many households, businesses, and other institutions in the United States were provided broadband by which universal service mechanism or which Federal broadband support program.

“(B) RETROSPECTIVE REPORT.—Not later than 1 year after the date of enactment of this Act, the Office shall submit to the Committee on Commerce, Science, and Transportation of the Senate, the Committee on Energy and Commerce of the House of Representatives, and the Comptroller General of the United States a report that—

“(i) details, for fiscal years 2011 through 2021, the total amount of support provided under Federal broadband support programs and the Universal Service Fund programs, which shall include specificity regarding—

“(I) for that period, how much support has been provided under each Federal broadband

support program and each Universal Service Fund Program; and

“(II) the program standards with respect to each Federal broadband support program and each Universal Service Fund Program; and

“(ii) with respect to the copy of the report submitted to the Comptroller General of the United States, in order to facilitate the report required under paragraph (2), includes an appendix containing detailed information for, during the period described in clause (i), each award, grant, project, loan, or other funding mechanism under each Federal broadband support program and each Universal Service Fund Program.

“(2) GAO REPORT.—Not later than 18 months after the date on which the Office submits the report required under paragraph (1)(B), the Comptroller General of the United States shall, to the extent possible in consideration of the information made available by the Office under paragraph (1) (and by other Federal agencies with respect to other reports required to be submitted or published by the Comptroller General), submit to Congress a report that examines all Federal broadband support programs and Universal Service Fund Programs, which shall address the following:

“(A) The direct impact that funding Federal broadband support programs and Universal Service Fund Programs has had on increases in broadband access.

“(B) The relationship between—

“(i) the amount of funding made available to Federal broadband support programs and Universal Service Fund Programs; and

“(ii) the increase in the number of residences, businesses, and other institutions in the United States that have access to broadband.

“(C) With respect to support provided under Federal broadband support programs and Universal Service Fund Programs during the period described in paragraph (1)(B), the amount of that support that was used to upgrade existing broadband service, as compared to the amount of that support that was used to provide new broadband service.

“(D) The extent to which support is distributed under Federal broadband support programs and Universal Service Fund Programs in rural areas and urban areas, as those terms are defined by the Department of Agriculture.

“(E) The extent to which any support provided under any Federal broadband support program or Universal Service Fund Program has been used to overbuild an area that—

“(i) already has access to broadband; or

“(ii) has received support for broadband deployment under another Federal broadband support program or Universal Service Fund Program.”.
